EXPERIENCE

WEB DEVELOPER & DESIGNER

Promoting Queens Foundation (NGO) | 2023 - present

Volunteer Role

- Designed and developed a responsive, SEO-optimized website for a non-profit dedicated to promoting chess education and engagement.
- Utilized Next.js to build a fast, accessible platform that elevates user experience.
- Integrated a dynamic, Sanity-powered blog for seamless content management.
- Collaborated with stakeholders to ensure the digital presence aligned with the organization's mission and values.

FRONTEND DEVELOPER

Somethingelse Group | 2024 - 2025

Contract Role

- Developed high-converting landing pages and crafted engaging marketing materials to drive brand awareness.
- Contracted to build full-scale websites for various clients, ensuring each project meets contemporary design standards and technical performance benchmarks.
- Employed modern web technologies (HTML, CSS, JavaScript, Next.js) to deliver user-friendly and visually compelling digital solutions.
- Managed multiple projects simultaneously while maintaining quality and adherence to client requirements.

WEB DESIGNER AND DEVELOPER

Bctito | 2024

Project

- Designed and developed BCTito, an ecommerce storefront for a US-based African cuisine vendor.
- Focused on performance, responsiveness, and user experience to provide a seamless shopping experience with secure transactions.
